The Court orders, pursuant to MCR 7.205(D)(2), that the October 25, 2005, order of the Wayne Circuit Court denying partial summary disposition to defendant hereby is REVERSED. Plaintiff's injuries do not meet the threshold required to recover under the no-fault act, MCL 500.3135(2). Plaintiff's impairment was of a short duration. Although plaintiff still complains about pain, her injuries otherwise have resolved. She was able to resume doing her daily activities, except for working out at the gym, and maintain her employment. Plaintiff's injuries thus do not comprise a serious impairment of body function as set forth in *Kreiner v Fischer*, 471 Mich 109, 130-131; 683 NW2d 611 (2004). The case is REMANDED to the circuit court for further proceedings consistent with this order.

The Court retains no further jurisdiction. This order is to have immediate effect, MCR 7.215(F)(2).
